Thus far. Any further?

OLDBURY UNITED have never before reached the first round proper of the Amateur Cup.

It's been a long, hard struggle since early season for them to reach that duck.

They began with a 5-2 home win over Midland Combination rivals Stratford Town in the extra qualifying round.

In the 1st qualifying round, Wellington side, G.K.N. Sankey held them to a goalless draw at Oldbury, but fell 3-0 to United in the replay.

In between rounds, Jones was signed from Brierley Hill and the Oldbury climb continued. A goal by Duffield settled the second qualifying round battle home to Whitmore, another League rival, and in qualifying round three, Oldbury hit the

Midland headlines for the first time by depositing Midland Combination champions Paget Rangers 2-0 in a replay after drawing at Paget 2-2.

The final qualifying round saw present league leaders, Evesham, fall to a goal from Mick Sabin, who so often this season has been first to score for the United.

He added to his tally when Oldbury travelled to Manchester for a 2-1 first round proper win against Irlam, and banged in four more as his side crushed Western Leaguers Newquay on their own ground by 7-1 to reach the last 16.

Thus far. Any further? Oldbury start inevitably as underdogs to the side rated as Cup favourites. And Sabin is no more than 50-50 for tomorrow.
